Authorized and Informed Consent

I request and authorize a procedure to be performed upon me (*or my* _____)
entitled (*description of procedure*) _____.

The nature and effects of the procedure, the risks, ramifications, and complications involved, as well as, alternative methods of treatment have been fully explained to me by the doctor and I understand them.

I authorize the doctor to perform any other procedure deemed desirable in attempting to improve the condition stated in the first paragraph above, or any unhealthy or unforeseen condition that may be encountered during the procedure.

I have been thoroughly and completely advised regarding the objectives of the procedure. Since I understand that the practice of medicine and surgery is not an exact science, and therefore, that no reputable surgeon can guarantee results, I acknowledge that imperfections might ensue and that the operative result may not live up to my expectations. I certify that no guarantees have been made by anyone regarding the procedure(s) I have requested and authorize.

I hereby authorize that the information furnished to my doctor by me, during my diagnostic evaluation, is true and correct to my knowledge.

I authorize disposal of removed tissue to be sent for histopathology or other disposal as requested.

I agree to follow the instructions given to me by my doctor to the best of my ability, before, during, and after my surgical procedure.

Signature on the reverse side indicates that I have read and understand the above information, and I have had an opportunity to ask questions. I would like to proceed with surgery.

_____ (initials)

As you are aware there is a national COVID-19 pandemic. Logan Health has endorsed and followed CDC recommendations to mitigate potential exposure of the COVID-19 virus. However, there still can be an unforeseen risk of exposure. You understand this risk and agree to proceed with your scheduled visit/procedure.

PATIENT INFORMED CONSENT/REFUSAL
(Delete and initial any portions below which DO NOT apply)

I hereby request/refuse Healthcare Provider _____, and/or associates or assistants to perform the following procedure(s)/treatment(s): _____

I recognize that, during the course of the procedure(s), unforeseen conditions may necessitate additional or different procedures than those set out in the paragraph above. I, therefore, further authorize and request that my healthcare provider, his/her assistants, associates, technicians or other of their designees, perform such procedures as are in my healthcare provider's professional judgment, necessary and desirable including, but not limited to, procedures involving pathology and radiology. The authorization granted under this paragraph shall extend to remedying or repairing conditions that were not known to my physician at the time the procedure(s) commenced.

I further permit my Healthcare Provider to produce appropriate photograph(s) of the above procedure(s), treatment(s), and permit such photograph(s), in which I am not identified, to be used for medical education purposes. I consent to the taking of videotaped images to record treatment progress. I consent to the admittance of students, healthcare employees in the performance of their job, and others involved in the delivery of healthcare services, for purposes of education.

I fully understand that there is no guarantee that this procedure / treatment will improve my condition. I have been informed of my diagnosis, the purpose of the recommended procedure, the risks of the procedure, the alternatives to the procedure, the risks involved with the alternatives, and the probable outcome.

I understand that Logan Health is asking my permission to retain some of my tissue and body fluids ("specimens") that are collected during the procedure/treatment after all necessary tests have been performed. These specimens will be stored in a safe and secure location, which is called the Logan Health Tissue Archive. My specimens will be used only for my care and treatment at Logan Health. If I give my consent, my specimens will be kept as long as they remain useable, the tissue archive is active, or until I decide to withdraw my consent. I agree that Logan Health will contact me to obtain my written consent before my specimens may be used for any other purpose. I can change my mind and withdraw my consent at any time by contacting my Healthcare Provider. If I do not consent, or withdraw my consent, my specimens will be disposed of in accordance with standard practice.

Consent for Surgical Resident Participation in Procedure

- I have been informed that a Surgical Resident will be present during the procedure and under the direct supervision of the attending Healthcare Provider n/a, the Surgical Resident will perform all or parts of the procedure.
- I understand the attending Healthcare Provider will be present at all times in a directly supervisory capacity and the attending Healthcare Provider remains the responsible doctor for my procedure.

I consent to the utilization of a Surgical Resident in the performance of my procedure.
